

RCE Saskatchewan recognizes exceptional sustainability achievements

Posted May 20, 2020

In a live streamed event on May 13, RCE Saskatchewan recognized 17 local sustainability initiatives for their achievements in education for sustainable development. RCE Co-Coordinator, Dr. Roger Petry, “It’s tremendously exciting to see the ideas, people, and organizations mobilized to build a sustainable future for Saskatchewan. It’s a real privilege to be able to acknowledge these initiatives and help connect them to the UN’s 17 sustainable development global goals so they know they are part of a larger movement.” See the list of recipients here and watch the ceremony on the RCE Saskatchewan You Tube channel.
