

Lo-Fidelity Mock-ups for RCE Saskatchewan

General Improvements

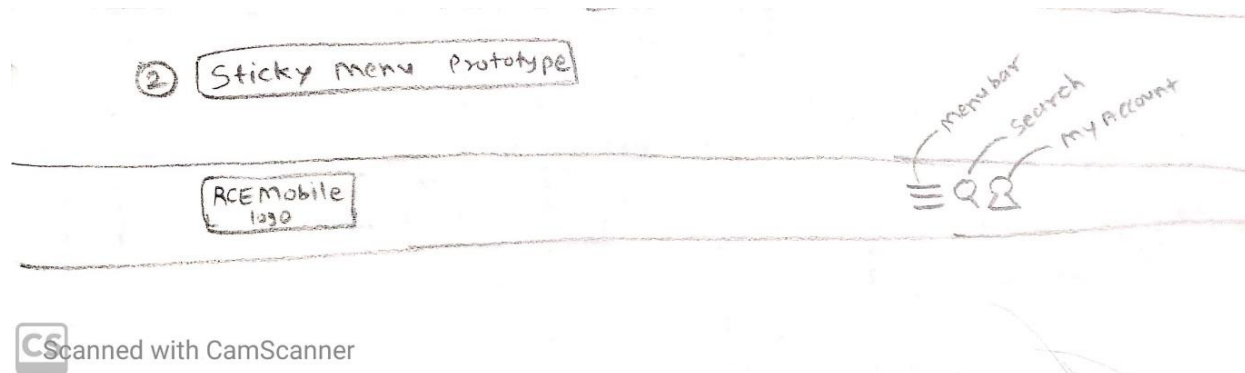

1. Main Menu Section

2. Footer Section

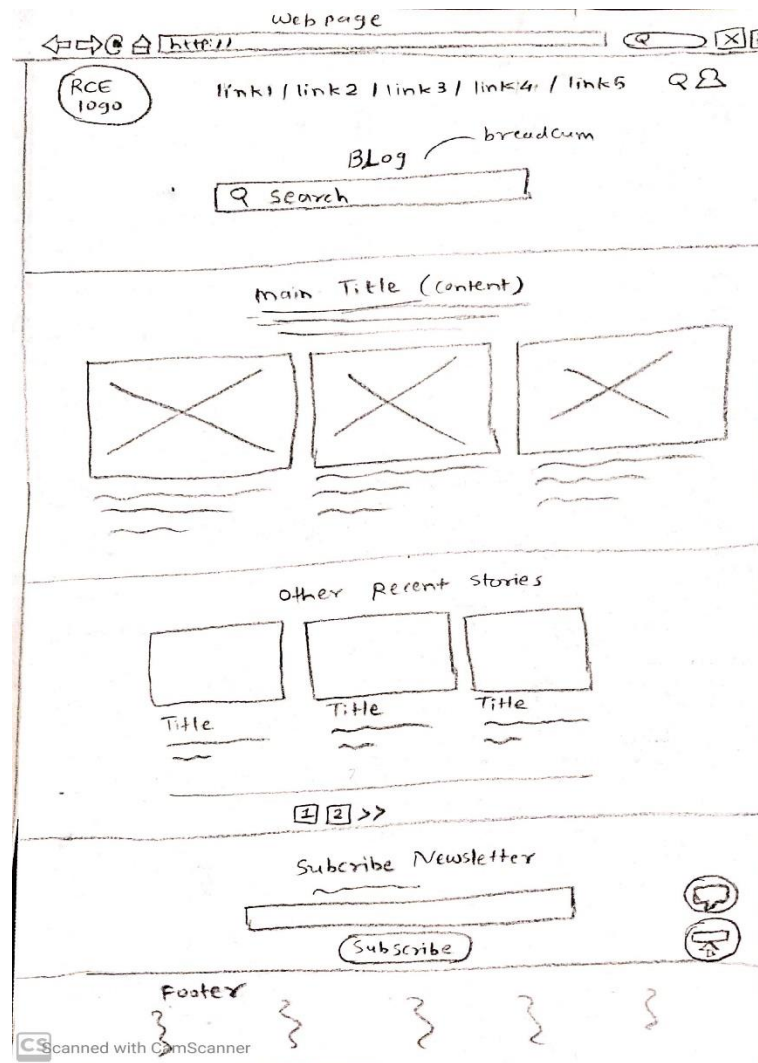

3. Sticky Menu

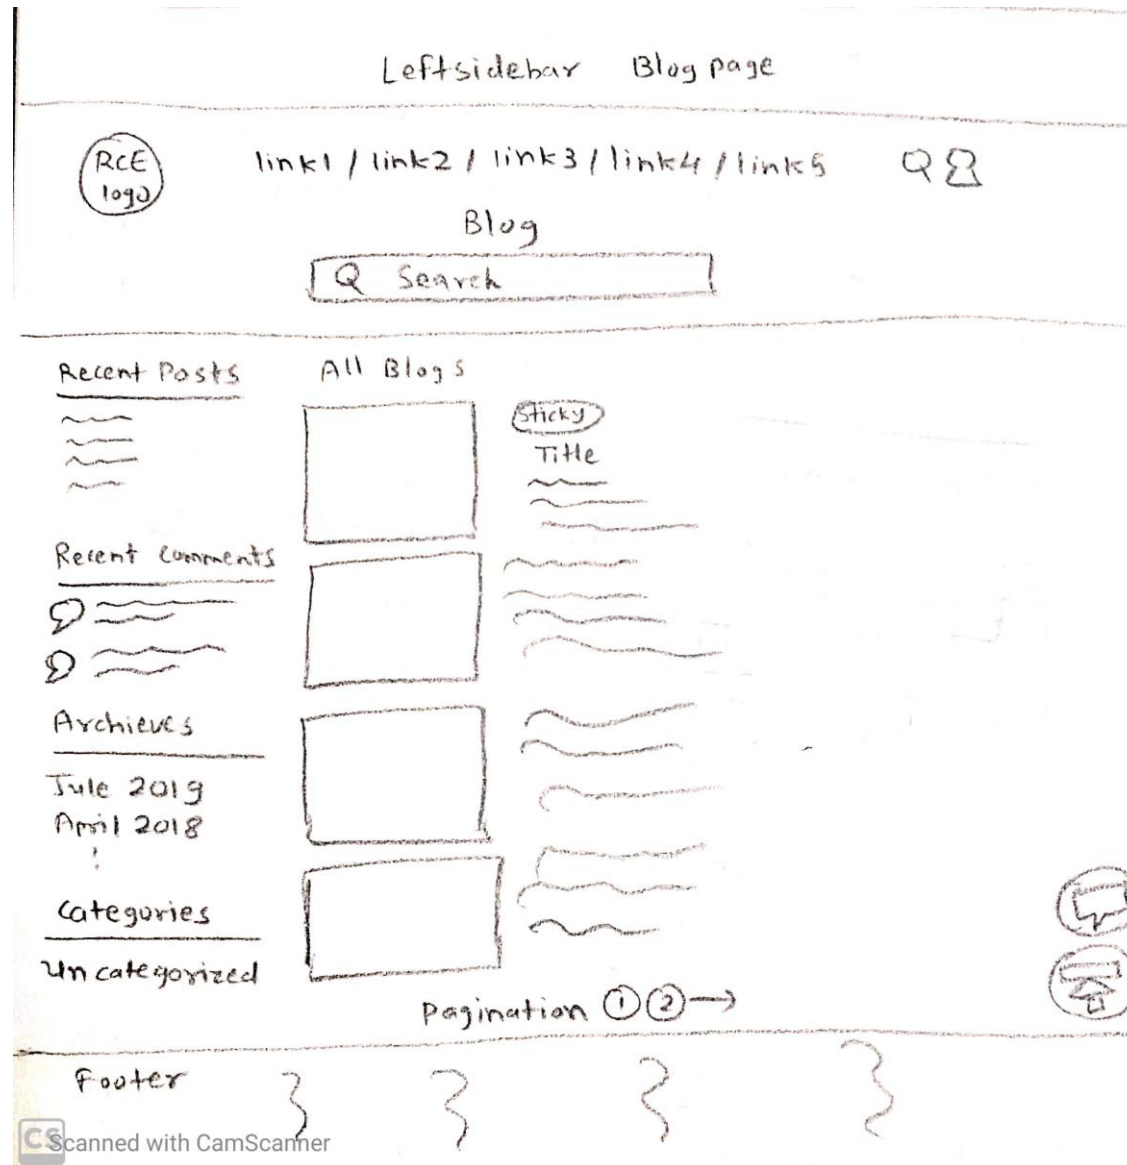

User Experiences

1. Blog Page

2. Blog Page (with left side bar)

3. Contact Us Page

The sketch shows a web page layout for a 'Contact Us' page. At the top is a browser header with a back arrow, a search bar containing 'https://', and window control buttons. Below the header is a navigation bar with a 'Rec. logo' on the left, a list of links 'line 1 / line 2 / line 3 / line 4 / line 5' in the center, and a search icon on the right. The main heading 'Contact Us' is centered and underlined. The page is divided into two main columns. The left column is titled 'Quick Contact' and contains a form with fields for 'First Name', 'Last Name', 'Email', 'Phone Number', and 'Subject'. Below these is a larger text area labeled 'How can we help?' and a 'SEND' button. The right column contains three sections: 'Drop Us a line' with a phone icon and the number '123456789'; 'Send a mail' with an email icon and the address 'help@example.ca'; and 'Pay Us a Visit' with a location pin icon and the address '1100 Alie Ave Canada'. Below the main content area is a section titled 'Catch Us on Social Media' with icons for Facebook, Twitter, LinkedIn, and YouTube. At the bottom is a 'Subscribe newsletter' section with a text input field and a 'Subscribe' button. The footer contains the word 'Footer' and a watermark 'Scanned with CamScanner'.
